

GURUGRAM GLOBAL HEIGHTS SCHOOL

CLASS VI- SUMMER HOLIDAYS HOMEWORK (2019-20)

Dear Children,

The much awaited summer vacation is here again. Go for walk in the park or garden with your family and friends. Adopt/grow a plant. Play your favourite game / sport regularly. Develop in yourself the spirit of sportsmanship and sense of healthy competition. Reading newspaper is a good habit that can provide a great sense of educational value. So read newspaper on regular basis. Learn new hobbies during the vacation.

Have a fun filled vacation!!

- Its SUMMER TIME again. This summer break try and make a difference. Shower your love and care on people you meet and get loads of blessings in return. Respect your parents, grandparents and all elders. Use three magical words (Sorry, Please and Thank you) often. 'A little more courtesy goes a long way.'
- Find some time to visit museum and monuments. Read about them. Learn new things related to your country.
- Plant a sapling and give your initiative towards their mother Earth.
- Take good care of your health and hygiene. Avoid heavy and oily food and increase intake of fresh fruits and water to keep yourself well hydrated and energetic.

- Use Holiday Homework as an opportunity to spend quality time together. Let your child take the lead and use his/ her imagination, creativity and knowledge to do the assigned task. The role of the parent is to be a facilitator and guide to steer the child in the right direction. He will find his own destination.
- Follow the guidelines given by teachers to complete specific activities. Homework of all the subjects to be placed in one folder. We do not expect too much of decoration (e.g. beads, sparkles etc. on the cover page).

Request to Parent:

- Have at least two meals daily together with your Children. Tell them that hundreds of people work hard to provide them a meal. Let the child understand the importance of agriculture and the hard work of people in the fields.
- Let them wash their own plate after every meal. Children learn dignity of labor from such activities.
- Try to share stories with them; about your childhood and family history.
- Teach them few folk songs.
- Allow them to help you in cooking; let children learn to make some snacks.

SCIENCE

Activity 1

Draw and label water cycle on A3 size sheet.

OR

Prepare a plan how to save water. Show the arrangement by clicking your own pictures and paste them on A4 size sheets.

Activity 2

Draw a pie graph for the composition of air on A4 size sheet.

Activity 3

Make a scrap book on OBESITY (cuttings to be taken from newspaper / magazines).

Activity 4

Make a chart on DEFICIENCY DISEASES with help of pictures and provide the details of actual (real) facts from medical history. (One case study).

MATHS

Activity 1:

FUN WITH NUMBERS

Activity 4:

On an A3 size sheet, prepare a circular stadium. Mark the places of players, targets and audience with respect to diameter, radius, centre, chord, sector and segment. Specify their position with respect to diameter, radius, centre, chord & sector of circle.

ENGLISH

Note: Use A4 size sheet for all the activities listed below.

Activity 1

Book report

Reading is crucial to everyone's success. It is one of the most fundamental skills a child should acquire. It helps not only to enhance their vocabulary but also to acquire values which indeed equip them to live a meaningful life.

Enjoy reading any one of the following books:

- 1) Matilda by Roald Dahl
- 2) Secret Seven series (any 1) by Enid Blyton
- 3) Charlie and the Chocolate factory by Roald Dahl
- 4) Tom Sawyer by Mark Twain

- A book cover based on the short story has to be designed. Caricatures/cartoons/drawings can also be used. Ensure that the drawings reflect or relate to the short story.
- Draw the character you like the most in the story and write few adjectives/phrases that describes the character.
- Prepare a story map/flowchart of the story according to your understanding. The story map must include the plots, setting names of the characters, ending and what you liked the most about the story.

Activity 2:

Journal Writing

Write one page for each of the following prompts:

- What is your favourite way to show your individuality?
- If you could take any animal from the zoo home as a pet, which would you choose- and why?
- What is the most adventurous thing you have ever done? What inspired you to do it?
- What is the most important part of being a good friend? Why?
- If you could invent any one thing, what would you create? Why? How would you create it?
- Do you consider yourself artistic? Why or why not?
- Do you consider yourself athletic? Why or why not?

Activity 3:

To practice your grammar skills throughout the holidays, make lists of different **Parts of Speech** from the books you are reading during holidays.

SOCIAL SCIENCE

Activity 1

(Activity 1 done by Shivansh Kumar, Shivansh Gaur and Daksh)

“India – Land of diversities”
